

# Kitchens Perth Warranties

Kitchens Perth guarantees through a warranty against defects and any structural issues that may present themselves in the unlikely event that there are any issues the client may face with the product provided.

The below mentioned are covered by this Guarantee with varying warranty dates.

- Cabinet carcasses and doors
- Benchtops
- Appliances (if Kitchens Perth supplies these)
- Accessories
- Draw Runners
- Cabinet Hinges
- Tapware
- Hybrid flooring

The Accessories are supplied subject to the warranties that are offered by the manufacturers or where appropriate, subject to the terms and condition of any extended warranty schemes. This document does not alter those manufacturer's warranties.

The warranty extended from Kitchens Perth covers fundamental construction issues, damages or installation faults. General wear and tear and misuse of the product is not covered by Kitchens Perth.
